For Kingston & The Thousand Islands

---

ACFOMI wishes the whole Kingston and the Thousand Islands community a very happy, relaxing, and peaceful holiday!

The Government of Ontario as well as the Kingston, Frontenac, Lennox, and

Addington Public Health Unit recommends to all its citizens to celebrate this holiday season only with the people who live at the same address and not to travel outside the region.

I know this is disappointing, we all love to celebrate the holidays with our family and visit loved ones. But to have a safe holiday, we still need to make a few sacrifices. The end of the pandemic is near with the start of vaccinations in Canada; however, we must remain vigilant. We must protect the most vulnerable members of our community and the health professionals who are starting to feel the exhaustion.

Let us take the opportunity to rest, recharge our batteries, and enjoy spending time with our immediate family. This winter may be difficult, but we must rebuild our strength to face January 2021 in great shape!

Merry Christmas and a Happy New Year 2021!
